Subject: NOTIFICATION: ANNOUNCED DEA Inspection at the Kentucky Distribution Center (KDC) 28 Dec 2017

Hi, All,

Today, KDC had an announced DEA inspection. The inspection was a routine inspection on the KDC Distributor DEA Registration.

Overall re-cap – **zero (0) observations/opportunities**. The Diversion Investigators, Jason and Morgan, had nothing but positive feedback.

As a note, during the 20 Dec 2017 DEA Inspection for Importer and Exporter DEA Registrations at KDC, I requested if we could have a combined Importer, Exporter, and Distributor inspection moving forward. The DEA communicated that KDC was scheduled to be inspected in Sep 2018 for Distributor; however, based on my request, they moved up the Distributor inspection to 2017 to accommodate a combined Importer, Exporter, and Distributor inspection moving forward. This will reduce the amount of time and resources moving forward for both KDC and DEA for DEA inspections.

Thanks to everyone that supported...Belinda, Christian, Kevin, Jon, Pedro, Vernon, Mike, Dwight, and Bryanna.

Curve ID 1001631 was initiated for this inspection.

Thanks,
KDC Team
